

**The League of Women Voters  
of Dane County . . . presents**

## **“Improving Voting in Wisconsin”**

*Proposals to Enhance Early Voting  
and Make Redistricting Less Partisan*

*In 2008 early voters faced long lines and an inefficient process. The Government Accountability Board has recommendations to fix this. In Wisconsin, the legislature creates districts based on new census figures. The result has been court battles and partisan districts. Some states have a better way. This forum will explore these options.*

*Who:*     **Robert Ohlsen**  
              **Dane County Clerk,**  
  
              **Ken Mayer**  
              **Professor, Dept. of Political Science**  
              **UW-Madison**

*When:*    **Wednesday, March 3, 2010, 7 p.m.**  
              Question and answer session to follow.

*Where:*   **Capitol Lakes Grand Hall**  
              333 West Main  
              Free parking in ramp across the street.
