in the budget to cover this. There was discussion about purchasing more. This discussion will be continued.

## **Old Business**

### **Executive Director Search Update--Joan Provencher**

The Search Committee conducted three in-depth 2 hour interviews during the first 2 weeks of January. After discussion, it was decided that the full board will interview all three individuals. Joan will attempt to schedule these interviews for the week of January 18th. The meetings will be for one hour with each candidate. We agreed on 3 questions which Joan will write up and circulate prior to the meetings. Various board members will ask the questions.

All resumes received and interview notes will be placed in a board folder for all to review.

### **Nominating Committee--Marilyn Stephen**

Nominating Committee - This committee is chaired by Jan Van Vleck and will begin recruiting new board members in January for the 2021-22 year.

The Nominating Committee will compile a list of the positions that must be filled for 2021-22. The following board positions will be vacant because the incumbents are finishing their two year terms: Secretary and two Voter Service positions. One position in Membership will be vacant because the incumbent is finishing a one-year term. A one-year appointed position, Bulletin, will not be filled as that position will move to the Communications domain. Marilyn announced that she will be relocating to Michigan and therefore the VP of Governance will now also be vacant. Marilyn will be missed!

The remaining board members are serving in two-year positions.

### **Board Planning Meeting--Marilyn Stephen**

The board retreat (part 1 & 2) are scheduled for January 30 and February 13. Sharon Lesberg from UW Extension is the facilitator. The focus will be on the transition to having a full time ED and the changes that will create. Sharon is sending a survey to all board members that needs to be completed by January 18th.

## **New Business**

**1. Budget--Jean Jacobson**

Jean is ready to start the budget process in early February. Domain chairs need to submit their estimated expenses and a budget for the next year by the end of February. The Finance Committee will review the input in March and approval of the budget will be on the April board meeting agenda. A special meeting will be held March 24th for initial review of the budget.

**2. Civics Education--Chris Clements, Georgiana Hernandez, Joan Schwarz**

Discussion was held as to whether LWVDC should take a position on high school civics education. Bonnie will email us regarding the State League's position on this topic.

**Meeting adjourned at 7:06pm**

Respectfully submitted  
Joan Provencher  
Secretary

**APPENDIX**

**CONSENT AGENDA ITEMS**

**Finance**

---

The Finance Committee met in early December and was reported on in the December Board Packet. The January meeting will return to its normal cycle of following the Board Meeting by one week. Our primary focus currently is researching and discussing whether the League should establish an Endowment Fund in addition to the current Memorial Trust Fund. We are partnering with the Fund Development Committee in this activity. In anticipation of hiring an Executive Director we will also be researching the appropriate retirement plan vehicle to offer as a benefit. Finally, we will be putting in place the budget process to be followed as budgets kick off in February.

The Financial Advisory Committee made several mutual fund trades in December. Activity included the exit from two Dodge and Cox funds and the reinvestment of those funds (\$89k) in other current holdings. In addition, we have now invested \$84k of the \$100k in cash we had been holding in reserve at Schwab.

**Governance**

---

**Nominating Committee** - Jan VanVleck has convened the Nominating Committee for the 2021-22 Board year. The open positions are : Vice President (Governance), Secretary, Voter Service, chair of the Nominating committee and two off-board members of the Nominating Committee. With one exception, each domain will have one board director and may have an off-board co-chair. The single exception is Communications because Laura and Bonnie were elected to a two year term ending in 2022.

**Board Retreat** - The virtual retreat is scheduled for January 30 and February 13 for two hours beginning at 10 AM. The retreat committee is working with Sharon Lezberg who is a Community Economic Development Educator with the UW-Extension, Dane County. Because the work of LWVDC touches on the core themes of her organization (Informed Decisions, Social Capital, Civil Discourse and Equitable Opportunity) there is no charge for her services. She is often called on to facilitate meetings and assist in planning processes.

## Program

### 1. Summary of Recent Activities and Accomplishments

Louise Robbins and Janine Edwards moderated the discussions. Sally Gleason and Louise Robbins are in the process of selecting the next book for the book group.
- Since our last board meeting, we've published three *Swinging for the Fences* blogs: "[Observations on the 2020 Presidential Election and the Electoral College](#)," by Joan Schwarz (12/14/2020); "[Our Tale of Two Cities](#)," by Meg Gordon (12/20/2020) and "[High Time for The Untold Story](#)" by Louise Robbins (1/3/2021).
- Our upcoming Lively Issues Conversations: Centennial Challenges was featured in the LWVWI: January 9<sup>th</sup> State Office Updates – League in the Spotlight.

### 2. Important Discussions and Decisions

As we begin to plan for 2021-22, in addition to our Public Issues Forums we are considering incorporating a 6-8 week civics seminar series led by Joan Schwarz that would be piloted in the fall. When we send out our program survey this spring to get member input on possible forum

topics and other activities, we will include information about the series so that we can gauge member interest.

### 3. Activities in Progress and Upcoming Events

The Fair Maps LWVDC Working Group now includes 13-14 members. In addition to undertaking grassroots work to educate the public, via distribution of informational pamphlets about redistricting, the Working Group is mobilizing League members and others to testify at an upcoming Fair Maps hearing on March 11. Joan Schwarz also will present testimony regarding 2021 redistricting, in opposition to a Rule Change Petition to the Wisconsin Supreme Court on Jan. 14 on behalf of LWVDC and WI.

The Member Input Planning Team has finalized its initial list of possible themes/topics and other activities for 2021-22, and the full program Committee will review the list at the end of January. This information will be included in a survey to be sent to all LWVDC members in early March to allow for their input into the 2021-22 program. At the end of March, we intend to hold several focus groups with members as another means of gathering input.

The Making Democracy Work subcommittee and the Climate Crisis Subcommittee continue their planning for upcoming virtual Public Issues Forums already approved by the Board:

- [Lively Issues Conversations: Centennial Challenges](#), to be held Jan. 16, 2021, with Dr. Carolyn Jefferson-Jenkins, author of *The Untold Story of Women of Color in the League of Women*, and Madison poet Laureate Dr. Fabu Phillis Carter, professionally known as Fabu

## Membership

---

### Current Membership -

608 Total Members

13 new members in December

5 new members so far in January

The inaugural Membership Engagement Party was held via zoom on January 7. Participants included many new members, people interested in the work of LWVDC and experienced members describing upcoming events and projects. Positive feedback from participants encouraged additional sessions. One participant wrote "Thank you for having so many League events available via Zoom! I hope these will continue even when the COVID crisis is over as it is great for those of us with mobility issues — and I am sure for all of us in the winter months when weather can be a factor in getting to meetings." The Membership Committee has discussed a possible schedule of Membership Engagement Parties twice per year, in January and June. [Window cling LWV Dane County design is being finalized for order](#) with plans to have these as part of the Membership Engagement Party gift bags that will be sent to participants. The price for 50 is approximately \$50. Since the Membership Committee has not drawn from funds allocated for membership events due to COVID-19, the window clings will provide special recognition for members. They can also be given as a thank you gift to lifetime members participating in the Oral History Project.

LWVDC Historian, Margaret Fuguitt has volunteered to lead our local Oral History Project for lifetime league members.
